# Final Certifications- State Funds

## ▶ Cover letter

- ▶ Use the template provided
- ▶ Identify the funding source
- ▶ Project number (one per cover letter)
- ▶ Total amount spent - split the total cost if multiple projects or funding source, if you can't or don't supply the backup documentation, then don't put it down
  - ▶ Even if you won't get reimbursed for an item, it is OK to identify and provide backup documentation to show the local costs you incurred

## ▶ Spreadsheet Template

- ▶ Use it
- ▶ Only identify or put down the invoices/contracts/progressive estimates, etc. that is in addition to what was previously sent in

## ▶ Documentation

- ▶ Invoices, progressive estimates, etc. - These are the items we need if we made payment on a contract previously or to account for the additional costs you identified on the final cert. We don't need everything re-sent again. Just need something that backs up your final costs on the project if we don't have it already.
- ▶ Kitchen Sink - leave it in the kitchen
