

Vera Matthews

Transportation and Logistics Graduate Student

Program: Master of Science in Transportation & Urban Systems

Hometown: Anton, Texas

How did you become interested in your field of study? I have worked as a transit manager for nine years.

Why did you pick NDSU? NDSU has a degree that focuses on Transit Management.

What do you like to do in your spare time? I like to bake, make candy and make stained glass pieces in my spare time.

What are your goals or future plans? I would like to move up with my current employer, McDonald Transit Management.
