Motor Carrier Directory

NDSU UPPER GREAT PLAINS
TRANSPORTATION INSTITUTE

Dept. 2880, P.O. Box 6050, Fargo, North Dakota 58108-6050

Preface

The 2012 North Dakota Motor Carrier Directory is designed to help businesses identify shippers with North Dakota experience who can meet their transportation needs. The information in this updated directory was gathered by surveying carriers with commercial vehicles registered in North Dakota. This alphabetical directory is not an exhaustive listing of all carriers operating in North Dakota because only those firms that returned surveys are included. The carrier information is published on-line allowing users to search by cargo, trailer type, and scope of operation, and is also available as a printable PDF. The directory can be accessed at <http://www.ugpti.org/resources/mcdirectory/> in both formats.

The Upper Great Plains Transportation Institute at North Dakota State University, Fargo, ND, compiled and published the directory in cooperation with the North Dakota Department of Transportation as a service to the motor carrier industry and the business community of North Dakota.
