

Natasha Longpine
Transportation and Logistics Graduate Student
Program: Certificate in Transportation & Urban Systems

Hometown: Springfield, Illinois

What are some of your hobbies? Gardening and Photography.

How did you become interested in your field of study? Through experience with rural transportation planning and an employment opportunity with the MPO for urban transportation planning. The job has evolved, but I enjoy the research and analysis, as well as the funding side.

What do you like to do in your spare time? I like to hang out with family, garden/ complete yardwork and read.

What are your goals or future plans? I plan to continue working at the MPO level and bring more analysis to the level of work that we do.
