

Leonard Chia is from Kuala Lumpur, Malaysia. He earned his B.S. and M.S. in civil engineering from North Dakota State University (NDSU). Chia is pursuing a Ph.D. in transportation and logistics. Chia was first interested in transportation and logistics while working towards his M.S. degree in civil engineering. His goal is to develop an app for smart phones to monitor the structural health of the tracks for the railroad. In his spare time Chia enjoys planting and also volunteers at the NDSU greenhouse.
