Staff Presentation

Title: UGPTI County Asset Inventory Toolkit Webinar
Event: Webinar
Date: Aug. 12, 2015
Links: 
- Download the Presentation (PPTX, 2125K)
- Download the Agenda (PDF, 93K)

View Presentation
Today’s Agenda:

• Kick-off meeting review
• Review Toolkit timeline
• Demonstration of first layer data collection – review construction history fields
• Review existing county data to mesh with the pavement layer
• Demo other layers and brainstorm additional layers that should be considered
• Discuss items needed by each county
• Schedule several site visits to collect data and test the entry tool
• Ideas for Face to Face Meeting – date, time and place?
Demonstration of “Beta/Draft” Roadway Inventory Tool And Data/layer review
