SPOTLIGHT

Safety Talk - First Aid
Posted: Aug 5
When an accident happens, a first aid program that meets the requirements of the law and is tailored to the type and size of the workplace can literally make the difference between life and death, or between recovery and permanent disablement.

News Bulletin - Vehicle Weight Enforcement: A Proven Best Practice
Posted: Jul 31
North Dakota roads are the lifeline to communities across the state. Every year, North Dakota government entities

AINS INSTITUTE

Today's Agenda:

- Kick-off meeting review
- Review Toolkit timeline
- Demonstration of first layer data collection – review construction history fields
- Review existing county data to mesh with the pavement layer
- Demo other layers and brainstorm additional layers that should be considered
- Discuss items needed by each county
- Schedule several site visits to collect data and test the entry tool
- Ideas for Face to Face Meeting – date, time and place?

Demonstration of "Beta/Draft" Roadway Inventory Tool

And

Data/layer review
