

MODERNIZATION OF THE COLORADO MOTOR VEHICLE SYSTEM

COLORADO
Department of Revenue

Western States CMV Safety and
CDL Compliance Summit
November 28-29, 2018

Topics for Discussion

- What is Modernization?
- Added online options or “e-services”
- Integrated national database inquiries
- Digital image access and exchange

COLORADO
Department of Revenue

What is Modernization?

- “Colorado D.R.I.V.E.S” - Driver license Record Identification and Vehicle Enterprise Solution
 - Computer Systems Modernization Project
 - Multiple legacy computer systems and databases into one new Efficient, Effective, and Elegant system.

Colorado E-Services

- Skip the Trip to the DMV with **34 Online Services!**
- www.mydmv.colorado.gov

The screenshot shows the Colorado myDMV website. At the top left is the CDOR logo (a green triangle with a white mountain and 'CO' inside) and the text 'CDOR COLORADO Department of Revenue Division of Motor Vehicles'. Below this is a dark green navigation bar with a hamburger menu icon and 'myDMV'. Underneath is a 'Home' link with a house icon. A main navigation bar has three buttons: 'myDMV' (highlighted in black), 'Driver/ID Services', and 'Vehicle Services'. Below the navigation is a 'Welcome to myDMV' section with a thank-you message and a list of services. To the right is a 'Driver Quick Start' section with three icons and links: 'Apply for a driver license/ID', 'Renew a driver license/ID', and 'Add/change a driver license/ID address'.
