The screenshot shows a Windows Internet Explorer browser window displaying the NTSB website. The address bar shows the URL <http://www.ntsb.gov/index.html>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The website header features the NTSB logo and the text "NATIONAL TRANSPORTATION SAFETY BOARD" with a search bar. A navigation menu includes links for HOME, NEWS & EVENTS, TRANSPORTATION SAFETY, ACCIDENT INVESTIGATIONS, DISASTER ASSISTANCE, LEGAL, and ABOUT. The main content area is titled "NTSB News" and features a photograph of Martin Bailey speaking at a podium. The text below the photo reads: "The FAA's Martin Bailey answers questions during the NTSB's GA Safety Forum." A "Read More" button is visible. Below the news section, there are links for Accident Dockets, Safety Recommendations, Aviation Accident Database, Data & Stats, and Training Center. The footer includes the NTSB logo and the text "NTSB An Independent United States Federal Government Agency". On the right side of the footer, there is a "News @ NTSB" section with social media icons and a tweet: "NTSB Keeping Course wp.me/p1lQdj-m0 7 hours ago · reply · retweet · favorite". Below the tweet, it says "NTSB The GA forum has returned #GA&Safety".
